Heather Cave

Executive director, Life Care Center of Andover

Cave had a couple of good reasons for returning to the Wichita area after several years living and working in McPherson County.

For one, her family had continued to attend Gospel Assembly Church on North Oliver. For another, her older daughter, Alee, recently gave birth to a son, Ryder.

Cave grew up in Kansas City, moving here with her husband, Stuart, to start a family. They also have a daughter, Isabella, who's a college student.
