

GETTING together

For the third year in a row, TGC Group donated winter coats to Wichita's TOP Early Learning Centers. The coats will be distributed to children in need during this winter season. This year's coat drive resulted in 394 coats. The Opportunity Project (TOP) is a 501c (3) charity based in Wichita. TOP Early Learning Centers provide low-cost, educational child care and preschool in some of Wichita's poorest areas - Oaklawn, Evergreen, and north central Wichita. Dedicated to creating school readiness for at-risk children, TOP's mission is to deliver high-quality early learning experiences to children living in poverty, providing them the tools needed for emotional, academic and lifelong success. TGC Group is a full service development and investment company focused on the acquisition, syndication and development of restaurant, hospitality, commercial and multifamily properties throughout the country.
